KPI Graduate Employment Rate	100%
Typical Employment	Service, public and retail sector of the economy or small business operator
Employment Titles	Management trainee, branch associate, junior consultant, project coordinator, business planning, business analyst, purchasing and inventory controller
Type of Certification	Ontario College Diploma
Program Description	Specializes in providing the student the relevant and practical business skills demanded by the small business operations which are fuelling our economy. Graduates of the Business program will have reliably demonstrated the ability to apply the practical and theoretical business concepts relevant to operating a SME and working in entry-level business positions.
Entrance Requirements	Ontario Secondary School diploma with Grade 12 English (ENG4C) and Grade 11 Math (MBF3C), OR Mature Student Status (an applicant lacking the formal minimum admission requirements may be admitted through the mature student application process. Mature Student applicants may be referred to College Counselling for academic testing and a recommendation from the Counsellor to the Registrar for consideration in their admission. Mature applicants must still submit their high school transcripts and may also be asked for a resume).
