

TENNIS@SAULTCOLLEGE

2017 Season

The Sault College Waterfront and Tennis Centre came to be in June of 2014 at the waterfront location at 18 McPhail Avenue (Old RYTAC site). Sault College re-opened the waterfront tennis facility for summer 2014.

2015 saw the season expanded, court lighting became operational and new equipment was added as we worked diligently to bring the site back to its prominence.

2016 saw many fundraising events for the revitalization of the waterfront location. The revitalization of the Waterfront and Tennis Centre includes a new building and updated tennis courts. Sault College and the SSM Tennis Association continue efforts towards restoring the site to its historic prestige.

Look out for all the exciting developments happening in 2017!

Members can utilize our on-line booking site for court reservation times – with the season running to Thanksgiving weekend (weather dependent).
