### **Becoming Job Ready at Sault College**

(Sault Ste. Marie, ON February 7, 2013) Are you planning your employment future? If so, find out from local and regional employers about potential careers and exciting employment opportunities.

Employment Solutions, in partnership with Sault College, will be hosting a Job and Career Fair on Wednesday, February 13<sup>th</sup> from 10:00am to 5:00pm in the Essar Hall on Sault College's main campus. Over 60 exhibitors including local and provincial employers from the health care, social services, hospitality, financial services, law enforcement, construction, trades, and technology sectors will meet with students, alumni, and members of the community throughout the day.

Employers will be on site accepting résumés and offering valuable advice to students, alumni and guests. Sault College's Employment Solutions staff, funded by Employment Ontario, will also be available to provide clients with information on all the employment services and programs job seekers may require.

Local employers have found the event to be a great way to attract new talent to their organizations. Jane Breckenridge, Human Resources Officer with the Algoma District School Board, who has attended the annual event over the past several years notes, "The event is extremely well run and is very beneficial to the Algoma District School Board. We obtain numerous résumés and countless enquiries regarding employment opportunities at the event."

David MacLachlan from North to Adventure, a local outfitter specializing in hunting and fishing vacations in Northern Ontario, states attending last year's event "was one of the best things we ever did as a business. We hired three employees last year and they were all terrific. We are looking forward to this year's event."

This event is sponsored by the Student Job Centre at Sault College in partnership with Employment Solutions. The event is open to the general public as well as all Sault College students and alumni, and is free to enter.
