

Sault College News Release

For immediate release

Sault College's Child and Family Centre now open all year

(Sault Ste. Marie, ON March 27, 2015) The Child and Family Centre at Sault College is pleased to announce that they are now accepting registrations for the daycare facility located on the Sault College campus, which is now open throughout the entire year.

The year-round programming, made possible by the District of Sault Ste. Marie Social Services Administration Board, will allow the daycare to operate 12 months of the year, with a capacity for 31 spaces from May to August and 62 spaces for September. The daycare is available for children aged 18 months to 4 years old.

"We are excited about the opportunities that the year-round facility will provide to not only Sault College students and their families, but the greater Sault Ste. Marie community, as well," says Nancy Leindecker, Manager of the Child and Family Centre.

The children at the Centre are supported and guided by qualified staff through experiences developed to enhance and enrich decision making skills, self-esteem, self-confidence, a sense of responsibility, good citizenship and respect for others. The program is designed around the principles of developmentally appropriate practices. Nature-based experiences, outdoor play and components of Aboriginal culture are also embedded within the curriculum.

If you wish to enrol your child or children in the Child and Family Centre at Sault College for summer care or for the fall, please register at www.saultdaycare.ca.

About The Sault College Child and Family Centre

The Sault College Child and Family Centre (CFC) is a leader in providing ongoing instruction and development for Early Childhood Education students, professionals and families through research and collaboration with the Sault College Early Childhood Education program. In the pursuit of excellence, our philosophy of early learning evolves in response to increased knowledge, experience, and growth in the field of child development. The Sault College Child and Family Centre believes that all families are entitled to high quality early learning and care in an inclusive, non-discriminatory, culturally sensitive environment that fosters active learning. Our Centre is staffed by professional Early Childhood Educators who are members in good standing with the College of Early Childhood Education. As a team, we ensure that children in our program are provided with the highest quality of care and education. Visit our website at www.saultcollege.ca to learn more.
