

Sault College Board of Governors Seeks Candidates

Would you like to be a part of our success story?

Sault College is the number one college in Ontario for the second year in a row for student satisfaction in the province's key performance indicators.

Our organization prepares today's learners to be tomorrow's leaders. Tens of thousands of our graduates work successfully across Canada and around the globe bringing innovation and expertise to various fields of study.

Our Board is seeking dedicated individuals who, through their guidance and passion for the field of education, will help contribute to the College's ongoing success. Specifically, we are looking to fill vacancies with an individual having a financial background and one having a background in the health/medical field. We encourage Aboriginal/First Nations applicants to apply. Please note that this is a volunteer position.

If you would like to help grow a skilled, well-educated work force for the next generation, please forward a letter of interest and resume by June 26, 2015 to:
