KPI GRADUATE EMPLOYMENT RATE:

TYPICAL EMPLOYMENT:
Graduates may find employment as independent filmmakers or by working with production, post production, equipment, development or distribution companies as well as with broadcasters or on feature film and television sets.

EMPLOYMENT TITLES:
Producer, production manager, production coordinator, director, editor, assistant editor, sound recordist, sound mixer, cinematographer, camera assistant, screenwriter

TYPE OF CERTIFICATION:
Ontario College Diploma

PROGRAM DESCRIPTION:
This two-year program will provide instruction geared towards professional and independent digital film and television production that adheres to industry standards, for use in broadcast and distribution. Students will use current industry technologies including cameras, lighting and grip equipment, sound tools and editing software. Students will focus on producing high quality, story-driven projects by employing effective visual communication tools. Throughout the program students will explore their own creativity and interests. The skills developed will provide them with numerous career options to gain entry-level employment in the film and television industry as well as independent film-making capabilities.

ENTRANCE REQUIREMENT:
Ontario Secondary School diploma OR Mature Student Status (an applicant lacking the formal minimum admission requirements may be admitted through the mature student application process. Mature Student applicants may be referred to College Counselling for academic testing and a recommendation from the Counsellor to the Registrar for consideration in their admission. Mature applicants must still submit their high school transcripts and may also be asked for a resume).
