KPI Employment Rate	Not available at this time.
Typical Employment	Fitness and Health Promotion is an increasingly popular health field. As the health of our population continues to decline the need for prevention and promotion of healthy lifestyles increases. As a Fitness and Health Promotion graduate you will have the skills to assess, motivate, educate and train the population and you will be situated to move quickly into this advancing field of employment.
Employment Titles	This diploma program will position you to find employment as a personal trainer, health coach, group fitness and activity leader in public and private healthy active living clubs/ agencies (fitness and recreation), workplace fitness programs and the fitness industry.
Type of Certification	Ontario College Diploma
Program Description	<p>Our program will provide you with the skills to safely assess, design, implement and evaluate personal, group and community fitness and health promotion programs. It will also instill the communication and leadership skills in you to facilitate and coach these programs. You will also learn how you can be a key motivator to helping others reach goals they never thought they would achieve.</p> <p>Students receive over 300 hours of supervised fieldwork experience in a variety of educational, public and private organizations. Students will learn through hands-on experience and solid theoretical training delivered by experienced, knowledgeable and creative faculty.</p> <p>In addition, as part of the program, qualified students may have the opportunity to earn nationally recognized industry certifications subject to membership fees and requirements that are the responsibility of the student/graduate pursuing the certification.</p> <ul style="list-style-type: none"> • Canadian Society of Exercise Physiology Certified Personal Trainer (CSEP-CPT) • Ontario Fitness Council Personal Trainer • Ontario Fitness Council Group Fitness Trainer • canfitpro Personal Trainer Specialist and Fitness Instructor Specialist (PTS, FIS) <p>Graduates can also pursue appealing opportunities to bridge their Fitness and Health Promotion diploma to a University Degree.</p> <p>Note: Since many of our placement agencies have varied work schedules, students must be prepared to attend clinical placement hours as assigned. This may consist of days, evenings and/or weekends.</p>
Entrance Requirements	<p>Ontario Secondary School diploma with Grade 12 English (C or U) and at least one of the following senior sciences: Grade 11 Biology or Physics (C) or Grade 12 Chemistry (C) or Grade 12 (U) Exercise Science, OR Mature Student Status.</p> <p>Note: Mature students are advised to contact the Registrar's Office for further information regarding admission.</p>
