# SAULT COLLEGE PROFESSIONAL DEVELOPMENT TRAINING

- Level-up or enhance your career options with our on-demand, online, micro-credentials.
- Sault College's micro-credentials are rapid courses that can help you get the skills and knowledge that employers need. They help people retrain and upgrade their skills to find new employment.

Find your courses at [training.saultcollege.ca](https://training.saultcollege.ca)

## Professional Development Micro-credential Highlights:

- Learn at your own pace using a computer, tablet, or smartphone, and take up to 90 days to complete each course
- No application process, no admission requirements, no prerequisites, open to anyone
- Receive a digital badge and certificate of course completion that can be shared on social media
- Purchase a micro-credential and start learning on the same day

## Benefits of Micro-credentials:

- Self-directed online learning that is flexible and individualized based on learners' needs and interests
- Developed by subject matter and industry experts who recognize the training and upskilling needs within industries
- Micro-credentials provide the right type of focused training to new or career-transitioning employees who need to improve their skills

## A few of the courses available:

- Project Management
- Introduction to Computers in the Workplace
- AutoCAD
- Finding and Advancing Your Career in the Steel Industry
- Safe Workplace Practices
- Building and Maintaining Customer Relationships

## A few free mini-courses available:

- Introduction to Computers in the Workplace
- Finding and Advancing Your Career
- Introduction to Microsoft Outlook
- Problem Solving and Decision Making

## What is a Digital Badge?

A digital badge recognizes skills, competencies, and knowledge that are not shown on a traditional college transcript. A digital badge lets employers know that you have the up-to-date skills and knowledge needed in today's workforce. Digital badges can also be shared on several media profiles such as LinkedIn, Twitter, Instagram, and Facebook.
