Job ID	11121	Location	Sault Ste. Marie
Date Posted	July 22, 2021	Closing Date	September 23, 2021

Job Overview - Description & Duties

N1 Solutions Inc., a division of NORPRO Security can help you get your security license. Are you interested in becoming an Industrial Security Guard? We've got you covered!

We offer for you to take the course in house at our head office and provide all of the necessary equipment (I.e. Computer for online learning).

If you successfully pass the exam, we will also pay for you to apply for your license.

As an Industrial Security Guard, you will provide security and protect people and property throughout Northern Ontario.

Industrial guards normally work 12-hour shifts, 7 days on, 7 days off, and require a class G drivers license.

Housing and meals are provided, and we offer shuttle services at no cost to you as an employee to get to your site.

Let us help you cover the initial costs to get your license and join our growing team of Northern professionals in the region!

We will pay you to take the course and cover the course cost!

We will cover the cost of your exam!

We will pay for you to apply for your license and cover your license cost!
