Job Overview - Description & Duties

R.F. Contracting Inc. ("RF") is a multi-trade mechanical contractor operating throughout Northern Ontario for over 40 years. Our commitment to safety, quality and project execution have contributed to our growth and diverse project portfolio with a best-in-class client base. Projects range in size from \$100,000 to \$3,000,000 and include a combination of disciplines that include pipefitting, ironworking, and civil.

Reporting to the Job site Foreman, RF is seeking a labourer that will be responsible for a wide range of tasks on multiple commercial and industrial sites. An ideal candidate will adhere to RF Contracting's Health and Safety Program as well as ensure quality, safety and environmental programs are met.

Responsibilities and Duties:

- General labour duties as assigned
- Industrial cleaning and organization of work trailers
- Conduct safety inspections on equipment
- Confined space attendant & groundman duties
- Porting employees around various job sites (company vehicle provided)
- Delivery and pick-up of materials and tools to various job sites
- Load and unload tools, material, and equipment
- Working at Heights
- Communicating with Supervisors and coworkers to coordinate work and provide updates.
- Follow safe 'Standard Operating Procedures' while accepting direction from Supervisors
- Other duties as required

Wage: \$20-\$22/Hourly
