Date Posted	November 24, 2021	Closing Date	December 8, 2021

Job Overview - Description & Duties

CSN Guy's Collision Centre is looking for a Collision Estimator for our fast paced, high volume Autobody Repair Facility.

Although a candidate with appraising experience would be a strong asset, we will train the right individual who has passion in the automotive industry and who is motivated, dependable and works well both independently and as part of a team. S/He will examine the damages on vehicles and prepare estimates accordingly. S/he will determine the costs associated with repairing.

Responsibilities and Duties

- Estimating the costs and times for the repair of each vehicle.
- Coordinating work processes with the technicians and other departments of the organization
- Following automobile industry safety norms and standards
- Attend Daily team meetings
- Customer service, which include, but are not limited to: answering all customer inquiries and explaining the complete repair process, answering phone calls, dealing with insurance companies

Salary: \$35,000.00-\$45,000.00 per year

Schedule: Full Time; 8 hour shifts

We offer:

- Competitive Wages
- A team atmosphere and a positive work environment

Required Skills

- Moderate automotive knowledge
- Must have basic computer knowledge to learn estimating programs
- Excellent communication, interpersonal, and customer service skills
- Attention to detail and the ability to multitask
- Passionate about the Automotive and Collision industry
- Motivated self-starter
- Experience in the automotive industry an asset
- Be reliable, hard-working, and ambitious
- Valid driver's license

Other Requirements

Customer service: 2 years (preferred)

Education: High-school Diploma
