- Perform other duties as required by supervisor or designate.

Who is Reliance?:

For the past 50 years, Reliance Home Comfort has been the industry leader in providing home comfort solutions to over 1.9 million customers across North America.

RelianceT has been providing affordable, reliable home heating, cooling, hot water, water purification, electrical, plumbing & Smart Home products & services. Our customers know they can count on us for fast, friendly, knowledgeable service and advice - and that's comfortable!

Our organization has grown exponentially in size and we are incredibly proud to be recognized recently by:

Waterstone Human Capital Ltd. as Canada's 10 Most Admired Corporate Cultures

Waterstone Human Capital Ltd. for Canada's Most Admired CEO (Sean O'Brien)

Glassdoor as "Best Places to Work in Canada"

Each day, 2,300 Reliance Team Members focus on delivering an outstanding customer experience, developing top talent and giving back to the communities where we live and work. In 2019 alone, we have donated over \$650,000 to United Way and \$100,000 in equipment to Habitat for Humanity.

Required Skills

Seeking Individuals who:

- Completed a minimum of Grade 12 or equivalent.
- Must have a Gas Technician II license.
- Registered Apprentice for the Certificate of qualification (C of Q) as an Air Conditioning Mechanic (Ontario - 313d or 313a)
- Ozone Depletion Prevention (ODP) card (asset).
- Must have at least a Class G Driver's License.
- Be willing and able to work rotating shifts and standby duties as required.
- Must be physically capable of performing all work required of this position, i.e. occasional lifting of 25 kg up to shoulder height, frequent bending, occasional squatting/kneeling, working inside and outside in all types of weather within environments that can be dusty and/or slippery.
- Must be able to communicate clearly and effectively, both in written and verbal communications.
- Must have strong interpersonal and problem solving skills.
- Must have outstanding customer service skills.
- Must be able to demonstrate ability to understand/learn new technologies (i.e. Electronics/electricity).
- Must be willing to wear Company provided uniform.
- Maintain company vehicle to a clean and safe standard.
- Must provide proof that you are fully vaccinated as defined by the Provincial Ministry of Health

Other Requirements

Please note that this position requires a Criminal Background Check and Driver's Abstract be completed for potential candidates (if applicable). This check must be satisfactory in order for an employment offer to be extended unconditionally.

How to Apply
