Job Overview - Description & Duties

Do you want to be part of a great team and utilize the training, experience or skills you have to help people live fuller, meaningful lives within our community?

Are you waiting for that opportunity to make a difference?

If so, we need people who value and are resilient at:

- Empowering people to take their rightful place in the communities in which they live;
- Seeing peoples abilities and challenges, accepting them unconditionally for who they are and working with each person by focusing on their strengths to help them carve out the lives they want to live;
- Supporting people in their efforts to develop valued and diverse relationships with others in the community;
- Assisting people to make the decisions and choices that affect their lives;
- Coaching people to identify and discover their interests and preferences, and to connect these interests and preferences to community opportunities;
- Supporting people reaching their potential.

Our organization is trying to do just that. As a part of our team you can enjoy the benefits of making a positive impact of supporting people to achieve their greatest potential, enrich their quality of life, achieve personal dignity and enable people to experience the possibilities within their community.

Rate of Pay: \$23.59
