### Job Overview - Description & Duties

Algoma Power Inc. is an electric distribution company that serves approximately 12,000 customers in the district of Algoma with over more than 1,800 kilometers of distribution lines in an area that covers approximately 14,200 square kilometers. Algoma Power Inc. is a subsidiary of FortisOntario Inc. ("FortisOntario") which is headquartered in Fort Erie and has operations in electricity transmission and distribution primarily located in Fort Erie, Port Colborne, Cornwall, Gananoque and the district of Algoma. FortisOntario is the only investor-owned electric distribution utility in Ontario and is a wholly owned subsidiary of Fortis Inc. ("Fortis"). Fortis is the largest investor-owned distribution utility in Canada. Algoma Power Inc. currently has opportunities working out of our Sault Ste. Marie work centre location for:

FORESTRY LABOURER

TEMPORARY (up to 8 Month Contract)

Under the direction of the Supervisor, or delegate, the Forestry Labourer shall assist Utility Arborists in the day to day work of vegetation management activities, including but not limited to right-of-way clearing and maintenance, line clearing, unplanned outage response, maintenance and operations of tools and equipment. The Forestry Labourer will ensure all work assigned is performed efficiently and will have a high regard for health, safety and the environment, ensuring compliance with applicable regulations, policies, procedures and standards and must be capable of identifying workplace hazards and be able to utilize all reasonable barriers to ensure safe work performance.

### Required Skills

- One (1) years of line clearing experience as a Labourer
- A valid Ontario (class "DZ") driver's license with an excellent driving record.
- Chainsaw Certification
- Line Clearing Safety and Awareness or Electrical Safety and Awareness Certification
- Traffic Control for Temporary Work Zones in Ontario Book 7 Certification
- Thorough knowledge and understanding of equipment, standards, and practices applicable
- Operation of tools and equipment as required
- Must have working knowledge of applicable Provincial Safety Regulations, Provincial Environmental Regulations, Electrical and Utility safety rules and safe work guidelines
- Demonstrate safe work practices
- Ability to read and interpret documentation pertinent to the work (i.e. instructions, prints, drawings, sketches, operating diagrams, etc.)
- Good communication and report writing skills
- Establish and maintain effective working relationships with co-workers, customers and industry partners
- Demonstrated working knowledge of Microsoft Office Suite is an asset

### Other Requirements

NA

### How to Apply
