Rolling Mill Shift Supervisor

LOCATION: Sault Ste. Marie, ON

DEPARTMENT: Industrial Operation

Tenaris is a leading global manufacturer and supplier of steel pipe products and related services for the world's energy industry and other industrial applications. Our customers include most of the world's leading oil and gas companies as well as engineering companies engaged in constructing oil and gas gathering, transportation, processing and power generation facilities. Our mission is to deliver value to our customers through product development, manufacturing excellence, and supply chain management. Tenaris employs around 22,000 people from more than 30 countries. Join us today and advance your career in this well-respected industry! We are currently seeking a Rolling Mill Shift Supervisor for our Hot Rolling Mill in our Operations group. The Rolling Mill Supervisor is responsible for leading employees during their assigned time period/shift. Supervises operation in the different machines of the production processes. Coordinates schedules, assigns responsibilities and looks for opportunities of process improvements.

Responsibilities:

- Controls and follows the production process, ensuring the accomplishment of production programs/schedule according to products' specifications, customer needs and Tenaris quality standards.
- Controls procedure compliance alerting deviations from the policy, procedures and specifications. Participates in the design and implementation of procedures and work instructions.
- Monitors Process indicators like productivity, utilization, charge to thousand, interruptions, rejections. Optimizes plant's performance and promotes the compliance of inspection plans and basic preventive maintenance.
- To comply with HSE procedures, report any incident or observation, perform inspections and participate in the investigation process. Implement the preventive/corrective actions. Keep updated the risk analysis and the environmental aspect assessment.
- Complies with the energy and other supplies consumption target/goals, carrying out the required actions that aim to reduce the use of them.
- Complies with Tenaris policies, procedures and management standards, and ensures adherence with all laws and regulations that apply to the area of responsibility.
- Proactively motivates, coaches, communicates with and develops his/her staff and manages HR related activities in line with Human Resources norms and procedures. Protects from damage, theft or misuse the facilities, equipment and other physical resources assigned to his/her area.

Required Skills

Education/Experience:

- Relevant technical diploma or degree (mechanical) and previous experience 3-5 years in an industrial, manufacturing environment required or +10 years' experience in a manufacturing environment
- Hot Rolling Mill experience and/or knowledge of the process will be considered a strong asset
- Ability to perform failure analysis and provide solution-based ideas
- Ability to work flexible hours as per the requirement of the mill. Days, nights and weekends.
- Ability to manage and rotate in shift work

Other Requirements

Skills:

- Exceptional mechanical troubleshooting skills
- Conflict Management
- Previous experience in the Oil and Gas industry an asset
- Intermediate Excel and Office skills
- Safety and Quality minded, detail oriented, with strong follow-up and analytical skills, Boots on the ground personality, interpersonal skills to work with all levels of the company

How to Apply

If your experience and knowledge match our requirements, please apply at Rolling Mill Shift Supervisor (tenaris.com) <https://recruitment.tenaris.com/job/Sault-Ste-Marie-Rolling-Mill-Shift-Supervisor-Onta/905272500/>

We thank all candidates for their interest, however, only those that match the criteria required for the desired profile will be contacted.

Diversity & Inclusion

As a global leader, our foundation was built on diversity in all its forms, including culture, gender, creed, race, nationality, and generation. With diversity among our people, we gain diverse thoughts, abilities and perspectives that keep us both innovative and competitive. Our diverse and inclusive workplace - rooted in our values of safety, ethics, transparency and open communication - brings together remarkable people and enables them to be themselves.

With representation from across our Canadian operations, Tenaris has an active Diversity & Inclusion committee that is working to advance a diverse and inclusive workplace through strategic initiatives.

Tenaris is an equal opportunity employer, valuing diversity in employment. Tenaris is committed to providing accessible employment practices that are in compliance with the Accessibility for Ontarians with Disabilities Act (AODA). If you require an accommodation for a disability during any stage of the recruitment process, please advise the Human Resources Department.
