**Job Overview - Description & Duties**

Security Guard (38128)

At Cameco, we understand the value of a diverse workforce and embrace, encourage and support workplace inclusion and diversity. New ideas, perspectives, experiences, and expertise make Cameco stronger. We are committed to building a diverse workforce reflective of the communities we operate in. Our vision is to create a culture where inclusion is the goal, and a diverse and representative workforce is our measure of success. Cameco is committed to providing an inclusive selection process, free from systemic barriers. support employment equity and encourage all members of underrepresented groups (i.e., women, Indigenous peoples, persons with disabilities and members of racialized groups/visible minorities) to disclose voluntarily. Cameco welcomes applicants from all backgrounds, abilities, and experiences to apply.

**Position and Responsibilities**

As a member of the security team, you will provide security services to control access to and from the site for people and/or materials, to meet the requirements of the Nuclear Safety and Control Act and regulations.

You will perform routine patrols of the yard, buildings and controlled access areas; assist with emergency detection and response; monitor vehicles and materials being brought on and off-site, and perform administrative functions to support these and other related office/switchboard activities.

Site hours of operation require this position to work a 24-hour operation work schedule of 12-hour rotating day and night shifts.

**Required Skills****Education and Qualifications**

Requirements of the position:

- Security-related diploma, or equivalent experience
- Ability to work within established procedures and safe work practices
- Excellent communication, problem-solving skills and the ability to work in a team environment are essential
- Familiarization with WHMIS
- Certification in Standard First Aid and CPR preferred

**Other Requirements**

NA
