Job Descriptions: Your responsibilities will be to help provide the very best in customer service at a renowned remote fly-in fishing lodge located in Northern Ontario. This is a 9-week summer operation lasting from May 21st to July 28th, 2022. The apprentice fishing guide position is more of our most sought after positions at the lodge. The fishing guides are on the water almost every day showing guests the spots, assisting them catching fish, taking photos, and cooking the shore lunch. The apprentice guide will follow a veteran guide for the first few trips on the water. There are scheduled days off but when the guides are on shore they will be expected to work with the dockhands if its not a scheduled day off. Our apprentice fishing guides will need to perform the following duties.

Duties:

- Greet guests at the dock
- Park, clean and refuel boats
- Take guests out on the water, assist them with catching fish and cook shore lunch
- Assist with work projects at the lodge and around the lake
- Load and unload planes
- Assist with any work/work projects that need to be done at the lodge.

Required Skills

- 5 years of fishing experience
- Ability to filet fish is an asset
- Preference will be given to those with advance fishing experience and who own a depth finder
- Own steel toed boots
