Job Overview - Description & Duties

The Superior Family Health Team is seeking a Registered Practical Nurse (RPN) who is a dynamic team player to join an innovative, community-based primary health care team.

Working as a Registered Practical Nurse on a multidisciplinary team, you will:

- Schedule and coordinate the Ontario Telemedicine Network (OTN)
- Lead or collaborate with other health care providers for provision of group classes and specialized program delivery
- Have knowledge and experience working collaboratively with community services
- Apply recognized clinical practice guidelines and best practices to screening, monitoring, and assessment of patient's physical and emotional well-being
- Provide care and management for patients with a wide range of health issues
- Be a resource to Primary Care Providers and other allied health professionals

Required Skills

Your profile will include:

- Registered Practical Nurse Diploma
- Current registration with the College of Nurses of Ontario and in good standing
- Current CPR Certification
- Demonstrated ability to assist patients, family members with concern and empathy, respecting their confidentiality and privacy and communicating in a courteous and respectful manner
- High level of critical and logical thinking, analysis, and/or reasoning to identify underlying principles, reasons, or facts
- Proficiency in Practice Solutions EMR is an asset
- Comprehensive understanding of patient privacy and confidentiality
- Experience in community or primary care setting an asset

Other Requirements

NA

How to Apply
