Sault College Program Guide 2022-2023

FIND THE REAL YOU. JESSICA DID.

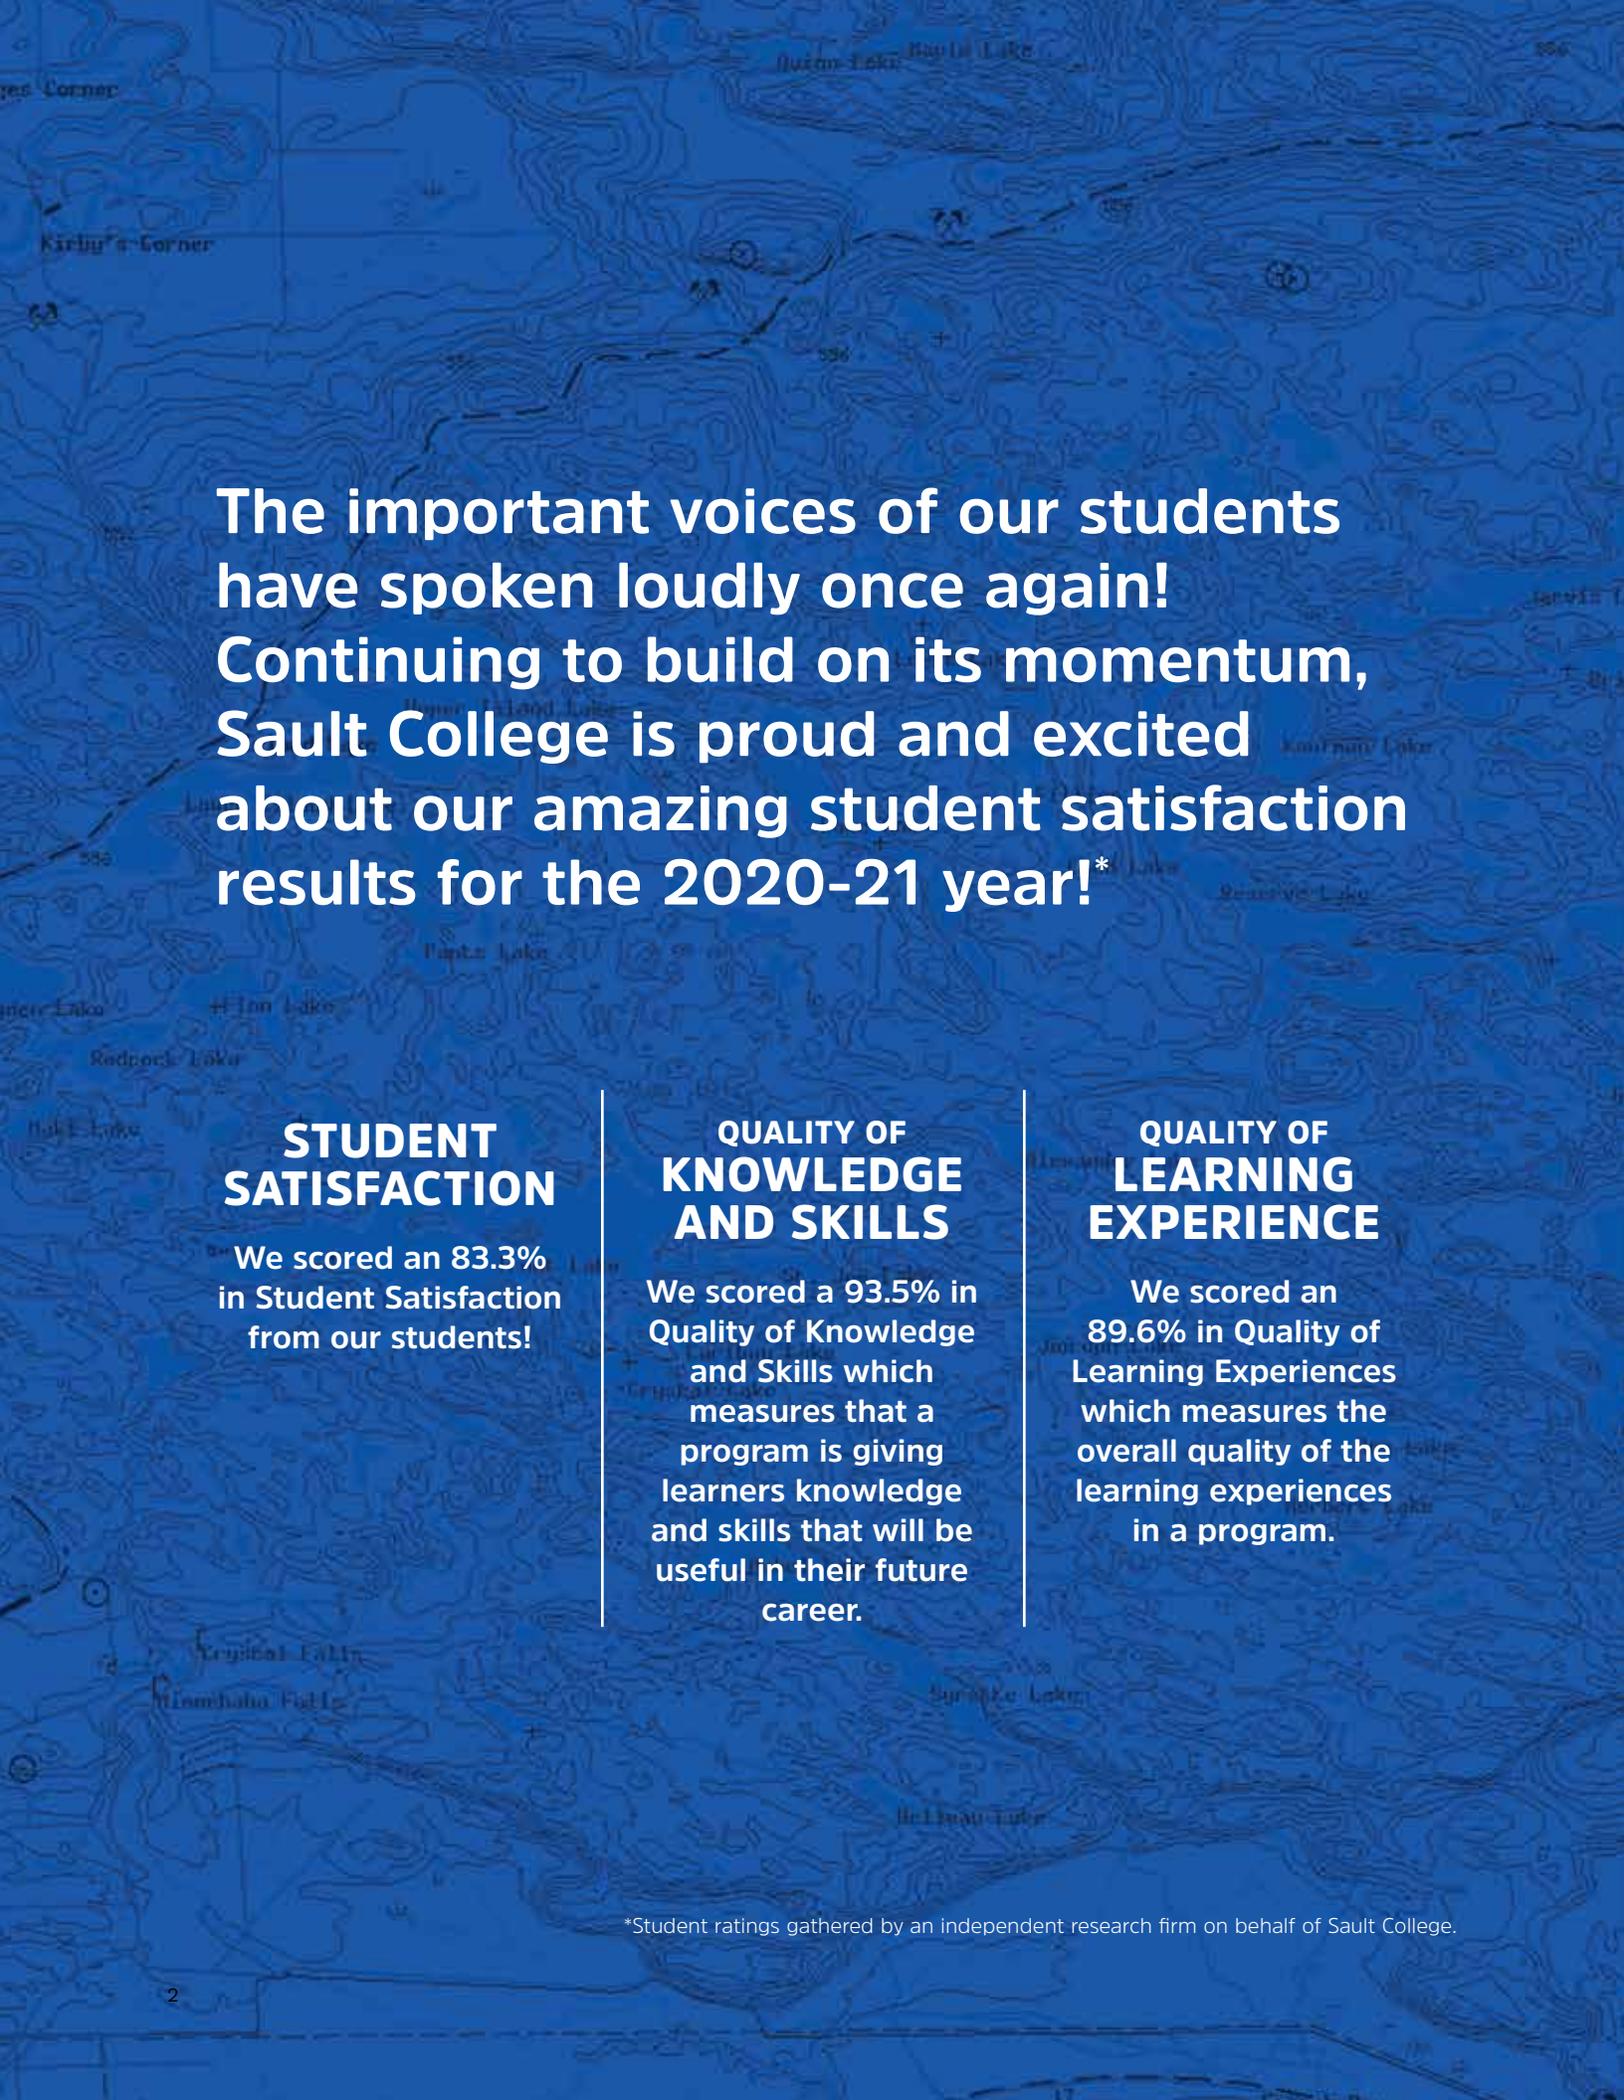

Jessica MacAleese, Travel Photographer

Jess MacAleese, a graduate of our digital photography program from 2012, is best known for her emotive travel imagery captured from real-life moments. She has worked to document and share stories that inspire travellers to be curious about areas less known, feel connected to what unites us and celebrate what makes us different. After launching her full-time career as a photographer in Dubai in 2013, her passion has earned her opportunities to work in North America, Asia and the Middle East with clients such as Vancouver Tourism, Mohammed bin Rashid Al Maktoum of the UAE, Dior, Ralph Lauren, Electronic Arts, BMW, Parq Vancouver, Telus and JW Marriott. How amazing! To see her work, visit jessmac.com

**Visit saultcollege.ca/realstories
to view more amazing stories!**

**The important voices of our students
have spoken loudly once again!
Continuing to build on its momentum,
Sault College is proud and excited
about our amazing student satisfaction
results for the 2020-21 year!***

STUDENT SATISFACTION

**We scored an 83.3%
in Student Satisfaction
from our students!**

QUALITY OF KNOWLEDGE AND SKILLS

**We scored a 93.5% in
Quality of Knowledge
and Skills which
measures that a
program is giving
learners knowledge
and skills that will be
useful in their future
career.**

QUALITY OF LEARNING EXPERIENCE

**We scored an
89.6% in Quality of
Learning Experiences
which measures the
overall quality of the
learning experiences
in a program.**

*Student ratings gathered by an independent research firm on behalf of Sault College.

We acknowledge that Sault College is located on the Robinson Huron Treaty territory and the traditional territory of the Anishinaabek and Métis people.

Explore Eagle's Ridge.

Head 30 minutes north of Sault Ste. Marie to the Harmony Beach section of the Voyageur Trail. Hike your way through the newest addition of this trail to access Eagle's Ridge Lookout. Experience one of the most breathtaking views in Algoma, overlooking Harmony River and Lake Superior. If you're visiting in warmer months, enjoy a swim at the popular Harmony Beach located across the highway from the trail entrance.

Why Sault Ste. Marie is an adventure seeker's dream.

Known as one of Ontario's best adventure towns, Sault Ste. Marie is fast becoming a must-visit destination for people looking for unique and unforgettable experiences. The Sault is home to kilometres of Lake Superior coastline, countless pristine sandy beaches, world-class mountain biking trail networks and hikes that will leave you speechless.

To top it off, the Sault is safe.

The City has been awarded a Safe Travels Stamp by the World Travel & Tourism Council for adopting health and hygiene protocols so travellers can feel safe while experiencing the region. Spend time outdoors and see why more and more adventure seekers are drawn to Sault Ste. Marie.

Wondering what to do in Sault Ste. Marie? You can experience unique, interesting and exciting attractions, events and activities all year long. Sault Ste. Marie is an amazing Ontario destination for arts and culture, sports and so much more!

**To see everything the Sault has to offer,
visit saultcollege.ca/thesoo**

LIFE OUTSIDE THE CLASSROOM.

A photograph of a man with a white beard and balding head, wearing a dark brown jacket with a light-colored fur collar, standing on top of a white Zlin aircraft. The aircraft has a blue and green stripe on its side and a large propeller with a Zlin logo. The background is a clear blue sky.

**The largest civilian
fleet of Zlin aircraft
in the world.**

Dr. Ron Common, President of Sault College, during a capital investment media event as it adds new aircraft to its already impressive fleet.

WHERE WE ARE IS WHO WE ARE.

From our amazing surroundings to our great accomplishments.

We love it here. And so will you. Nestled in the heart of the Great Lakes, surrounded by beauty and home to endless activities and attractions that celebrate how precious our world is – you will be immersed in a setting that fuels your studies.

We don't only celebrate where we are in Ontario but where we are as a college. We celebrate our accolades as much as we celebrate our surroundings. From recognition in our efforts in diversity and inclusion, our commitment to Indigenous education and reconciliation to our strides in capital investments that have made our College rating in student satisfaction score high continuously – we are proud of how far we have come.

Come celebrate who we are.

For the love of winter.

Like any great Canadian town, we truly embrace the winter and are one of Ontario's best places for snow sports like snowboarding, snowshoeing, skiing, skating and snowmobiling.

HEALTHY LIVING WITH OPTIONS.

Stay active while you study with amazing amenities.

Enjoy our Fitness Centre, located on the second floor above our gymnasium, where you'll find the latest equipment. There is plenty of space for your workout, including a two-lane 114-metre walking and running track. Natural lighting shines into the fitness and strength conditional areas and open concept studio thanks to the Fitness Centre's large windows and a window terrace that overlooks campus.

What an amazing indoor space to help you feel the burn!

Explore our Waterfront Adventure Centre.

The Waterfront Adventure Centre is the newest addition to our community space where students and locals can enjoy amazing recreational activities in the outdoors. Located downtown on the St. Mary's River in the heart of the Great Lakes, you won't find another city space like this. Schedule use of watercraft such as canoes, kayaks and standup paddleboards or book a court time for tennis, beach volleyball or pickleball, all at no charge with your student card. Need a pick me up after that great outdoor fun? Grab a drink and snack from the beautiful on-site café.

UP YOUR GAME.

**Show your athletic side
with varsity or
intramural sports.**

From varsity teams for the competitive athlete to those looking to stay fit and have fun, Sault College Athletics has many options for our students. Competing within the Ontario Colleges Athletic Association (OCAA) and Canadian Collegiate Athletic Association (CCAA), plus the American Collegiate Hockey Association (ACHA) that our varsity hockey program competes in - our highly successful varsity sports program has helped our Cougars secure national and provincial recognition.

Get involved with our competitive varsity programs for men and women including basketball, indoor and outdoor soccer, hockey, curling, golf and Esports. Looking for something a little less competitive? Then join in our recreational sport options including ball hockey, volleyball, skiing, tennis, cricket, cheer, cross country, Esports and much more.

For more information regarding any of our varsity or recreational programs, please visit saultcollege.ca/athletics or email athletics@saultcollege.ca

Visit us at saultcougars.ca

MAKE YOURSELF AT HOME.

Time to move in.

When you move into Ray Lawson Hall, you'll make yourself at home in a spacious double, single, premium single or barrier-free room. Make great friends and memories in residence with opportunities for planned activities and socialization. You can fill your free time with exciting events like ice fishing, paintball, floor hockey, dodgeball, beach days, city-wide scavenger hunts and holiday dinners.

While wanting a quiet learning environment, you'll appreciate the allotted study hours to help you keep on track with your classes. When you're feeling hungry, put your cooking skills to work in the full kitchen available on every floor. Gather with friends in the common room to catch this week's episode of your favourite show or to watch that movie you've been waiting for. It's equipped with flat-screen TVs and couches for comfy viewing. Of course, laundry, cable and internet come standard in all rooms.

OUR RATES*

ROOM ASSIGNMENT	YOUR MEAL PLAN SELECTION	TOTAL COST
DOUBLE	N/A	N/A
SINGLE	N/A	\$6,182
PREMIUM SINGLE (limited number)	N/A	\$6,982

*For 2021-22, double rooms are not available due to COVID-19 distancing guidelines. There is currently no meal plan requirement for 2021-2022 due to COVID-19 food service limitations, therefore meal plan requirements for 2022-2023 have not yet been determined. Please refer to saultcollege.ca/residence for updated information. Room availability, meal plan requirement and costs are subject to change for 2022-23.

SUPPORT & STUDENT SERVICES.

**We're here to help!
See how we are focused on
delivering amazing services
to help you succeed.**

Accessibility

We are committed to expanding access and support to all persons with disabilities, by having a goal to be a barrier-free learning and working environment to enable academic and employment success.

Campus Watch

The Campus Watch Program is a student volunteer program aimed at ensuring anyone on campus feels safe and comfortable after regular operating hours.

Academic Counselling

Counsellors are available to assist potential and current students with information on programs, developing academic plans, completing career testing and making academic-related decisions.

Personal and Crisis Counselling

The Counselling Centre services include access to Counsellors who can provide short-term counselling for students experiencing personal and/or mental health issues.

Crown Ward

Crown Ward students studying at Sault College are able to access additional financial, academic and social supports.

Student Financial Assistance Office

The Student Financial Assistance Office administers OSAP (Ontario Student Assistance Program), Scholarships, Bursaries and Awards, Entrance Awards and the Student Exceptional Expense Bursaries.

Health Care

The College Health Support Centre offers First Aid/CPR and treatment for minor illnesses, injuries and emergencies, assessment of illness or injury, with referral to appropriate care and emergency transportation to health facilities, such as the hospital emergency department. Weekly doctor clinics and aviation medicals are also available.

The Write Place

This is a faculty-led, drop-in tutorial available to all students. Any student who has questions or concerns about assignments, essays, reports, and APA requirements can bring them to our College Language and Communication professors for assistance.

Library and Peer Tutoring

The library offers inviting spaces for group work or individual study, computers and audiovisual equipment. Friendly, knowledgeable staff are available to help you find the information you need for your schoolwork or personal life. Drop-in Peer Tutoring is available weekly.

Student Job Centre

The centre offers employment services for Sault College postsecondary students and alumni and acts as a hub for information and resources for all of your employment needs.

Salon and Spa

First impressions are always important. Head over to our student-run Salon and Spa and get pampered!

LGBTQ+ Friendly Environment

Sault College celebrates diversity of our students and works toward a safe and welcoming home for people of all gender identities and sexual orientation.

The Equity Room

The Equity Room is a welcoming and inclusive space for students who identify somewhere on the rainbow. Collaborate ideas, sit with friends, have meetings, brainstorm, study, chat, get inspiration or merely relax.

The Reflection Room

This renewed space offers sensory-sensitive lighting in a quiet and respectful environment for you to reflect, meditate, smudge, pray, relax or do yoga.

Therapy Dogs

St. John's Ambulance has participated in our PAWS to Relax initiative that provides therapy dogs for students to engage with, to help decrease stress prior to mid-terms and exams.

Note: Due to COVID-19 precautions, some services above may be subject to change.

WE LOVE WHAT MAKES YOU, YOU.

Feel welcome. Feel at home.

Sault College celebrates diversity, equity, inclusion and respect. We love the richness and diversity of our student population. We love what makes you, you.

We believe that we must put students first and that doing so creates a welcoming college which encourages diversity and inclusion, which in turn strengthens the fabric of our College and student life.

As such, we demonstrate leadership in eliminating barriers, and implementing and promoting diversity through our academic policies, special initiatives and proactive measures.

Celebrate in our cultural events and festivals like Diwali and Spring Festival and seek answers you need from one of our International Department staff. Celebrate in our Pride events throughout our school year and seek answers you need from our dedicated LGBTQ+ counsellor with additional access to the QSA Alliance, a local peer support group.

Look for our Campus Watch initiative to help you feel safe within our school.

We are committed to taking on and addressing harassment and discrimination. So, we welcome you into our home – as we are excited to hear about yours.

Supporting our campus community.

Our goal is to ensure that all LGBTQ+ students, faculty, and staff feel supported and are aware of LGBTQ+ issues and resources on campus. This is our Equity Room – it is a welcoming and inclusive space for students who identify somewhere on the rainbow.

CELEBRATING “AWARD-WINNING” TRADITIONS.

We are proud of our roots.

Not only do we embrace the traditions and cultures of our Indigenous community – but we celebrate it through finding ways to share, teach and spread it in the best way that we can. We do this with an amazing staff who live their everyday lives with community and teachings in mind. This includes our very own on Resident Elder, Barbara Nolan (below), who was recently the recipient of the 2021 Ontario Arts Council Indigenous Arts Award and the 2021 Indigenous Professional of the Year Award by Sault Ste Marie Chamber of Commerce. We offer a unique learning environment that celebrates the languages, cultures and traditions of Indigenous and Métis students. Our curriculum incorporates cultural worldviews in addition to offering Indigenous-specific programs through our department.

Barbara Nolan, Resident Elder

Here, education and life intersect. Students have access to Elders, Indigenous professors and instructors and can become involved in our Indigenous Student Council. We offer scholarships, bursaries, and awards specific to Indigenous students. Community is important here, so be sure to check out our student events, weekly soup days, feasts, annual Pow-wow and our Sacred Fire Arbour.

We're here for you with our Indigenous Student Supports.

We provide Indigenous student support services including tutoring, college application assistance and a positive, social environment through Enji Maawnjiding, the “Where We Gather” Indigenous Centre. With Indigenous staff located nearby, we're here to ensure that your postsecondary learning experience is a great one!

AVIATION

TIME TO SOAR.

Push the throttle on one of the most thrilling careers in the world. Your Aviation Technology program prepares you to take flight and become a highly-trained, professional, licensed pilot.

At Sault College, you're not held back by gravity. Soar in our amazing fleet of aircraft designed for safe flight training and capable of aerobatic flight. Through on-campus instruction, flight simulation and in-flight training, you'll be part of an award-winning program that will have you excelling in your field. We're proud of our reputation as a topflight school. Offering the best opportunities to students is what keeps our head in the clouds.

There's more! Visit saultcollege.ca/SOAR

See page 26 for our full program list.

HEALTH

MADE TO

CARE.

Do you love to care for others? Your passion to help inspires us and our Health programs are focused on one thing - people! Nursing students will prepare for real-world success in an innovative learning environment with clinical placements, state-of-the-art simulation labs and small class sizes. We offer all four years of the Collaborative Bachelor of Science in Nursing (BScN) program on-site. Check out our 2-year Practical Nursing program where you will work with experienced faculty to gain the foundational knowledge, skills and values needed to demonstrate safe, competent practice as a licensed practical nurse.

Does seeing others succeed get your heart racing? Fitness and Health Promotion will have you inspiring people and communities to live their best lives through custom wellness programs. Receive key leadership skills and physical assessment techniques with hands-on training and field placements. And graduates looking to pursue a degree in sport, exercise science, or kinesiology can transfer eligible earned credits to programs at our partnering universities. Yep, you can earn a diploma AND degree in as little as four years!

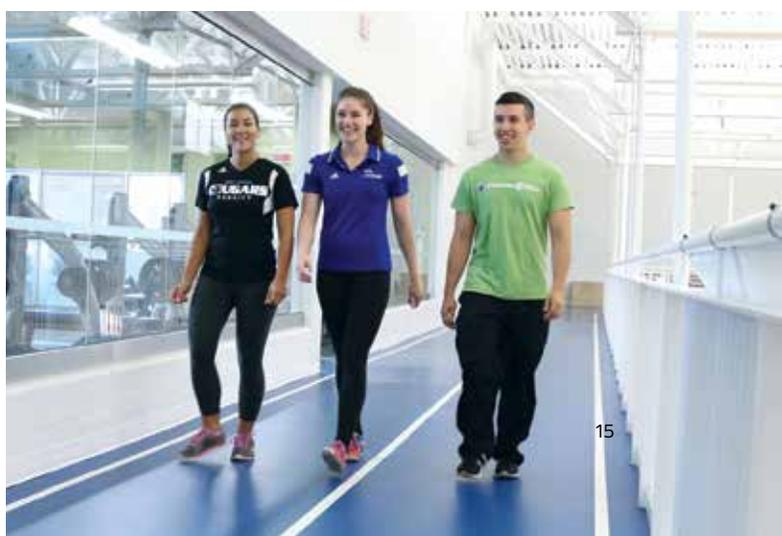

Interested in how Information Technology relates to the health care field? Health Informatics will teach you about the technological advancement in technologies such as electronic medical records, automated voice transcriptions, digital imaging concepts and much more. That's not all - we have amazing programs in Gerontology, Health Care Administration, Occupational Therapy and Personal Support Worker.

There's more! Visit saultcollege.ca/CARE

SCHOOL OF NATURAL ENVIRONMENT

MADE TO

EXPLORE.

Sault Ste. Marie is home to the largest freshwater lakes in the world, the Canadian Shield, and diverse forests – sounds like the perfect classroom, doesn't it? We both can agree that protecting the environment is in our nature. We love sharing that with you! Our nationally recognized School of Natural Environment programs focus on conservation, environmental protection, and exploring natural resources through field-based study. Your classroom is a 45-hectare outdoor lab and newly constructed Waterfront Adventure Centre. Test your knowledge on multi-day field trips, collaborate in shared outdoor workspaces, and start your natural resource career through a cooperative work placement.

If you're excited about a career in adventure recreation leadership, climate change, fish and wildlife, conservation, forestry, or environmental law, you belong here!

There's more! Visit saultcollege.ca/EXPLORE

See page 30 for our full program list.

Pathway to a Degree is within reach!

With our 2+2 diploma to degree program pathway, complete a 2-year diploma here and move on to Algoma University to earn a Bachelor of Science in Environmental Science in just two more years!

Visit saultcollege.ca/pathways for more information.

CULINARY, MEDIA & DESIGN, SALON & SPA

MADE TO BE CREATIVE.

Is creativity in your veins? Then we have something for you! Press play on a career in digital film production at Sault College. Experience a unique program that takes you through the filmmaking process from start to finish. Learn about idea development, scripting, production, and distribution. If design is more your scene, sketch out your professional goals in the Graphic Design – Digital Media program. You will explore the design process alongside professional designers. And do it only two years with our Advanced Diploma! Want to bring worlds to life? You will find it here. The Game Art program focuses on traditional arts as a foundation to create digital game assets, using industry-standard software.

If your interest is styling, our popular Hairstyling program is the spot. Discover the secrets to mastering your favourite looks or bring a new vision to life. Master a full range of spa treatments through our one-year Esthetician program. You'll learn from experienced professionals in a fully equipped esthetic lab and gain valuable hands-on experience in a student-run community spa.

Cooking and creating dishes is your art. You have an appetite to connect people through your work. And guess what? That makes us happy. We've designed our culinary programs to have you working alongside experienced chefs, learning the techniques to make you a culinary star in any kitchen.

There's more! Visit saultcollege.ca/CREATIVE

See page 27 for Culinary programs,

ENGINEERING, SKILLED TRADES & TRANSPORTATION

MADE TO

BUILD.

What if? These two simple, but powerful words have inspired every piece of modern technology in our lives. You are the inquisitive mind who turns inspiration into creation and puts the 'what ifs' into action. You've chosen a career in engineering technology because you're a problem solver. You will make things better, faster, and easier. And it starts here. With our Motive Power programs, you'll gain valuable hands-on experience building, diagnosing, and repairing a wide variety of cars, trucks and heavy equipment – employers will love that you have experience in multiple trades. Don't worry if you're unsure about what area you'd like best. The Pre-Trades and Technology program will give you the chance to sample different skills and backgrounds while offering you a solid foundation in trades and technology.

There's more! Visit saultcollege.ca/BUILD

See page 28 for Engineering Technology programs and page 31 for Skilled Trades & Transportation programs.

Take a virtual tour of our Motive Power Centre at saultcollege.ca/VR or scan the QR code

BUSINESS, GENERAL ARTS & SCIENCE

MADE TO

LEAD.

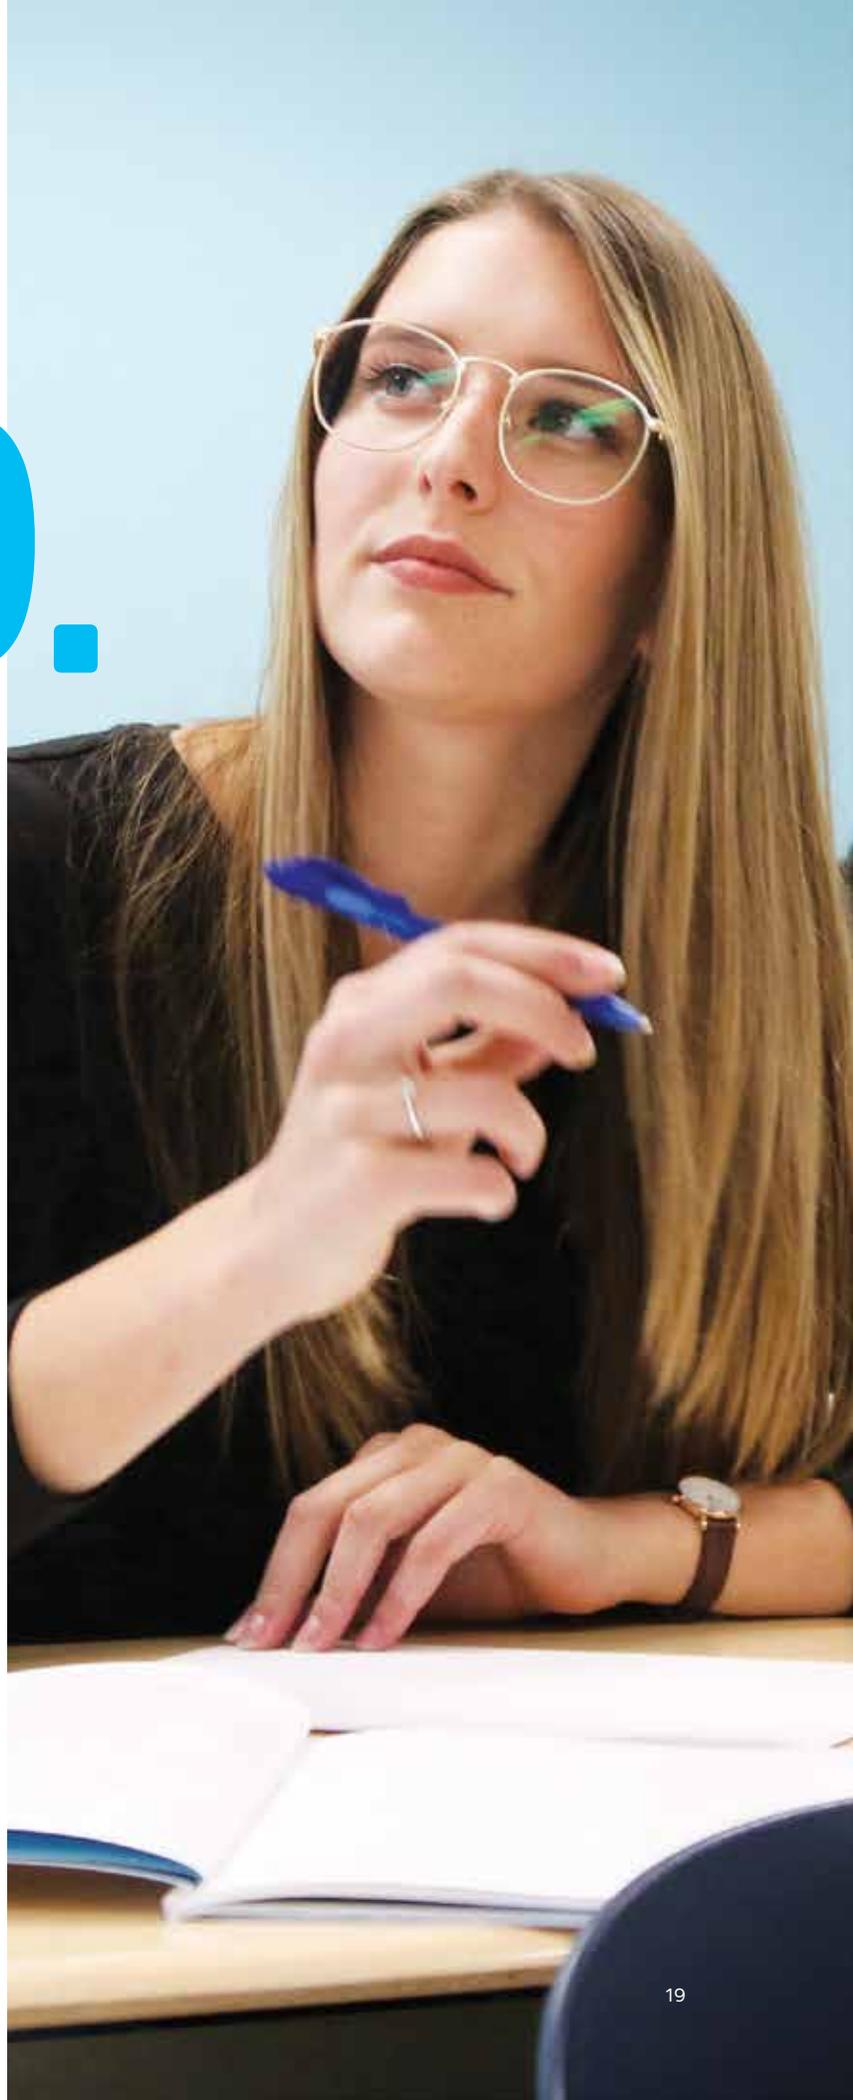

You have a vision for your career in business. It's exciting. The only thing left to do is set your goals and then crush them! Your path starts here. Earn your diploma and a university degree in just four years! Create more opportunities for success with the School of Business 2+2 Agreements with our partnering universities. Check out saultcollege.ca/pathways for more details.

Interested in a career in business but have a degree or diploma in a different field? No worries. Own your path through Sault College's postgraduate business programs and build specialized skills needed to advance your career. From our Hospitality and Tourism Management, Health Care Administration, Marketing, Accounting, Public Relations and Event Management and much more – there's something for everyone.

Are you still discovering what you love? In a world of many possibilities, we can help you find the path to career success. Your choice matters. Explore our General Arts and Sciences.

There's more! Visit saultcollege.ca/LEAD

See page 26 for School of Business programs and page 28 for General Arts & Science programs.

JUSTICE STUDIES

MADE TO

PROTECT.

People like you want to make a difference in the world. And that motivates us to provide the best programming for our students. The Police Foundations program prepares you for excellence in your career. Experience training technology used by military and law enforcement agencies worldwide. Sault College's MILO Range tactical, use of force, and firearms training system deliver an immersive experience within our state-of-the-art simulation training lab. Our Justice Studies grads are doing great things in their communities. You can find them serving as city police, Royal Canadian Mounted Police, Ontario Provincial Police (OPP) and Canada Border Services Agency officers. Some have even reached among the top of their field as Deputy Chief of Police, Detachment Commander of the OPP and Director of a Security Company. We're proud of that. Let's take the next step in making a difference in our communities – together.

Get noticed in the field of private and public safety. The Protection, Security and Investigation program gives you a wide range of skills needed to excel in the in-demand careers in policing, customs administration, corrections, public security and more.

There's more! Visit saultcollege.ca/PROTECT

See page 30 for our full program list.

Take a virtual tour of our Justice Studies simulator at saultcollege.ca/VR or scan the QR code

INFORMATION TECHNOLOGY STUDIES

MADE FOR

TECH.

Employers are looking for you! Industries across the globe from healthcare to finance to automotive and manufacturing continue to use technologies to make business more efficient and more secure. They're relying less on people and more on computers to get things done – it's all very futuristic. So, what about your future? We were hoping we could team up to smash your goals in the IT sector. What do you say?

And in the ever-changing world of computers, we want to make sure you don't become outdated technology. That's why we design our hardware and software environments to mirror up-to-date industry-standard networks and platforms. We constantly evolve so you can design, develop and implement the newest computer applications in the field. Like technology, we know your potential is limitless. From Computer Programming, Computer Programming and Analysis, Mobile Applications Design, Network Architecture and Security Analytics – there's something for everyone.

There's more! Visit
saultcollege.ca/TECHNOLOGY

See page 30 for our full program list.

COMMUNITY SERVICES

MADE TO

NURTURE.

Do you love making a difference? Community Services programs were meant for you and you were meant to change the world. Child and Youth Care is your gateway into supporting the lives of children, youth and families. Through this innovative program, you will receive training in areas such as counselling, addiction, sexuality, mental health and special needs. Field placements and a cooperative learning environment are designed to see you excel in your career helping others.

Check out your Early Childhood Education (ECE) program where you'll receive exclusive research-based training opportunities with one of the few Ontario colleges to offer training in Learning Language and Loving It™ – The Hanen Program®. Once you have earned your ECE diploma, register with the College of Early Childhood Educators (CECE) and use the title of Registered Early Childhood Educator (RECE). You also have the choice to continue your education at the university level by transferring eligible earned credits to partnering schools.

Make a difference as a social service worker! Our two Social Service Worker (SSW) programs will provide you with the theories and approaches to support social justice and well-being. Specialize with our Social Service Worker - Indigenous Specialization program and learn how to practice with a culturally-competent approach, through an enhanced knowledge of Indigenous issues and interventions.

If making a difference is your passion, you will find it here.

There's more! Visit saultcollege.ca/NURTURE

See page 27 for our full program list.

SUPPORTED LEARNING

WITH COMMUNITY INTEGRATION THROUGH CO-OPERATIVE EDUCATION (CICE)

**Be inspired to move
forward on your next
exciting journey.**

Exploring new opportunities builds confidence! Develop employment skills, social skills, and get ready for a bright future full of new possibilities. With our community of learning specialists and employment supports, we will guide you in your college experiences and preparation for employment. So, let's take that first step together.

Community Integration through Co-operative Education (CICE) is a fully integrated two-year certificate program designed to offer students with learning challenges more ways to enhance their academic, vocational, and social skills. We offer 19 program areas of study that are paired with program-specific field placements for a wide range of hands-on learning opportunities. The CICE program is designed to help you meet your full learning potential, and with in-class support and tutoring, you're on your way to a whole new level of confidence in your abilities.

Visit saultcollege.ca/CICE

GETTING YOU STARTED WITH FINANCIAL

OPTIONS.

**Your Financial Assistance team
is here to help you.**

Paying your fees is an important part of becoming a Sault College student and our Student Financial Assistance Office makes sure you have access to the best resources to help with those educational costs. Along with OSAP (Ontario Student Assistance Program), we assist with SBA (Scholarships, Bursaries, and Awards) and Student Exceptional Expense Bursary and Entrance Awards. Don't understand the pesky details of budgets? We can help with budget counselling and debt repayment sessions. Need a job while you study? We offer student jobs through the On-Campus Student Employment Program.

EDUCATION COSTS FOR 2021-2022

EDUCATION OPTIONS.

We have many opportunities for you to prepare, further and enhance your education.

Apprenticeships

Do you love learning alongside experienced professionals in your chosen field of study? Getting paid for the work you do is also a bonus! You'll couple your hands-on education with classroom training or online learning while registered as an apprentice with the Ministry of Labour, Training and Skills Development. We have an amazing variety of different apprenticeship programs, for whatever you love!

Visit saultcollege.ca/apprenticeships

Academic Upgrading

Missing a course prerequisite for admission to your college program of choice? Need an OSSD equivalent for employment or apprenticeship? If so, our Academic Upgrading program can help you prepare for college-level and apprenticeship programs at any time during the year. With year-round intake, flexible course delivery and self-paced learning options, upgrading meets the needs of a diverse student population. Qualified Academic Upgrading students have the opportunity to take a college course free-of-charge. Assistance with transportation is also available.

Visit saultcollege.ca/upgrading

Cooperative Education

Cooperative Education (Co-op) provides opportunities for you to learn beyond your classroom as you integrate relevant work experiences into your academic studies. Co-op also lets you further develop life and employment skills while earning money. You'll get a better idea of the career options available to you and build your network of contacts for future employment. Many employers prefer hiring co-op grads because of the applied learning they receive. We will prepare you for your summer work term and employment upon graduation.

Dual Credit Opportunities

Two for the price of one! It doesn't get any better than that. You can start your career by taking college classes while still in high school. Not only will you get a sneak peek into the college atmosphere and life, you'll also get a glimpse into a career that you'll love. Plus, they count as both a high school and a college credit. Want to apply? If you are a student in grade 11 or 12 talk to Student Services at your high school to determine your eligibility. Dual credit programs are funded by the Government of Ontario through the School College Work Initiative.

Visit saultcollege.ca/dualcredit

Continuing Education

Expanding your education empowers lifelong learners to better themselves by delivering innovative education and professional development. From corporate training to inspiring ways to advance your career – we can help you get there.

Visit saultcollege.ca/continuingeducation

PROGRAM AND ADMISSION REQUIREMENTS

You will need an Ontario Secondary School Diploma (OSSD) or equivalent to take a College program. We offer Academic Upgrading free-of-charge if you did not graduate from high school or do not have the requirements for the program you want to take. Mature students over 19 who do not have a high school diploma are also welcome to apply.

OCD	Ontario College Diploma	OCAD	Ontario College Advanced Diploma	CRED	Credential Awarded
OCC	Ontario College Certificate	OCGC	Ontario College Graduate Certificate	SEM	Semesters

*Recommended course. **Fees based on three semesters. All other fees based on two semesters in the 2021-2022 academic year and are approximate and subject to change. Visit saultcollege.ca/fees for more information. ***Tuition and ancillary fees for domestic students only. Contact international@saultcollege.ca for international student fees.

We now offer **2+2** diploma to degree program pathways with partnering universities. Complete a 2-year diploma at Sault College and move on to University to complete your degree in just two more years!

Welding Techniques	Welders in small and large construction and manufacturing industries	4053	OCC	2	OSSD or equivalent	\$3,834

APPLYING IS AS EASY AS...

Want to chat with one of our recruiters? Meet and connect with them at saultcollege.ca/recruiters

1

VISIT [ONTARIOCOLLEGES.CA](https://ontariocolleges.ca) BY FEBRUARY 1ST

This is the date for equal consideration into a program. Follow the steps and apply for your program of choice. Need help with your application? Call us at 705.759.2554 ext. 2222 or email us at studentrecruitment@saultcollege.ca and we can walk you through the process. We are here to help. There is a non-refundable \$95 fee to apply.

2

WATCH FOR COMMUNICATION FROM SAULT COLLEGE

Once your application is processed, you'll receive an official letter in the mail and email to let you know if you are accepted into your program of choice or if there is anything missing from your application.

3

GO BACK ONLINE TO [ONTARIOCOLLEGES.CA](https://ontariocolleges.ca)

This is how you'll confirm your offer once we've accepted you into your program. Offers of admission will begin to be sent out as early as November 1st.* We need to know you're coming so we can get things ready for you!

4

SECURE YOUR SPOT

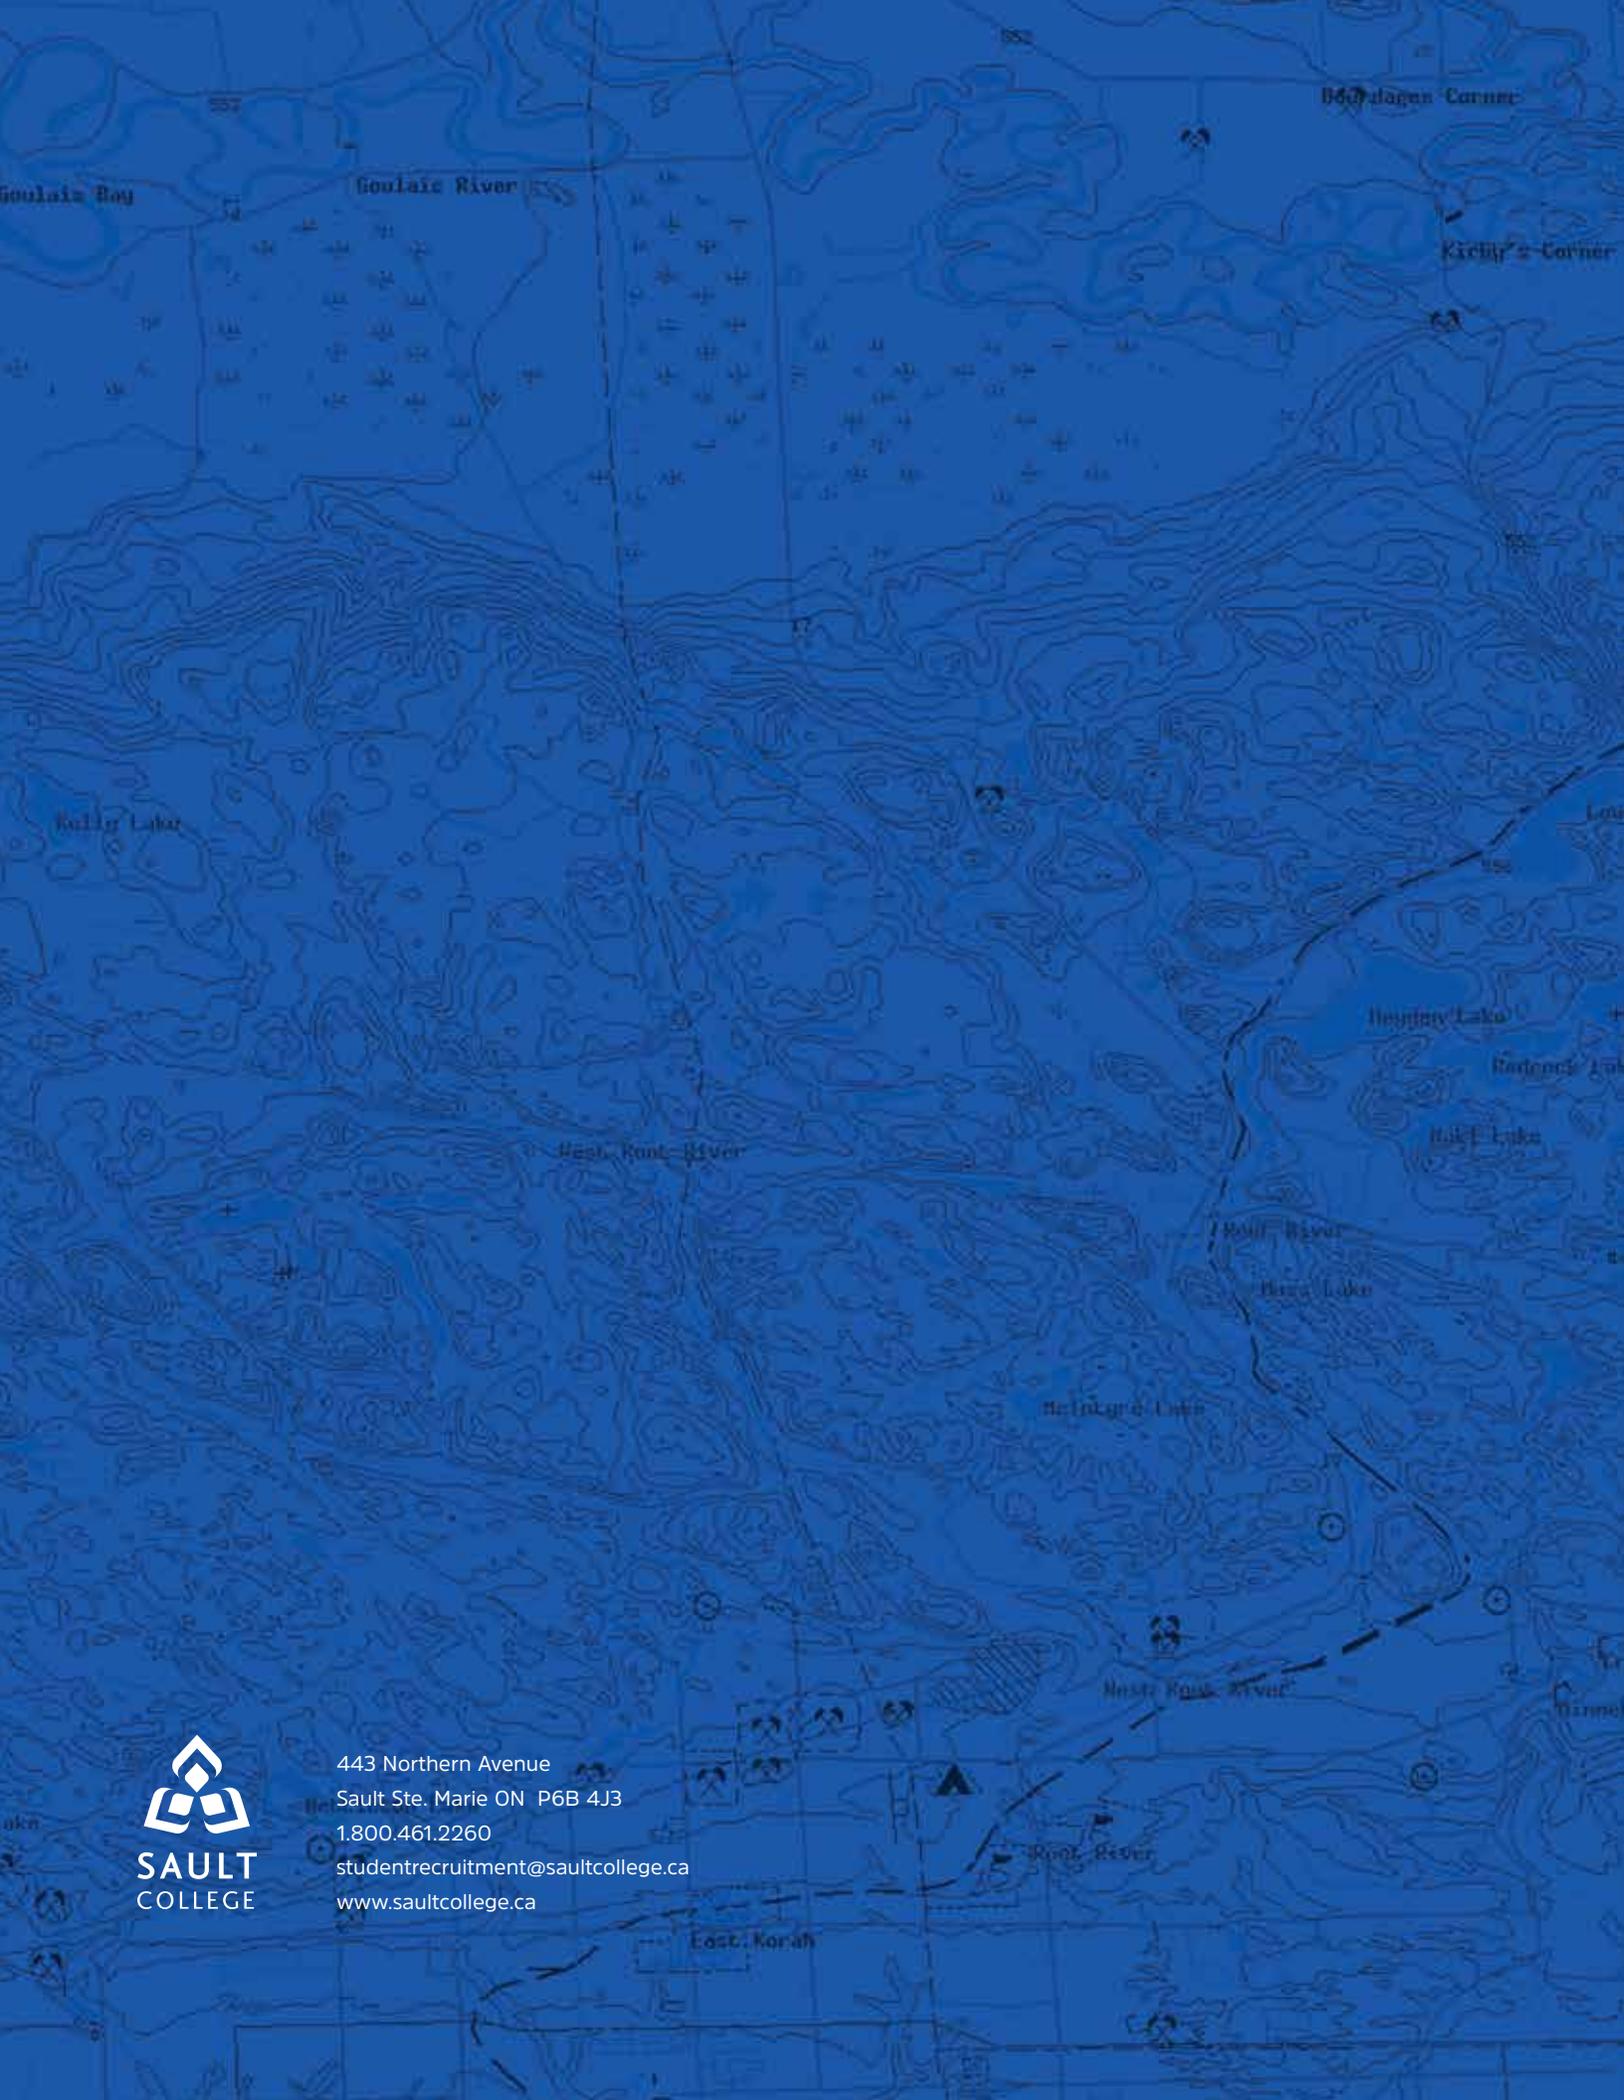

Lastly, you'll need to pay your fees to secure your place in the program. We'll let you know what else you need along the way. Congratulations!

*With the exception of oversubscribed programs.

WE'RE JUST A ONE HOUR FLIGHT FROM TORONTO!
