PHY 94: ACE Physics (*ACE040)	<b>SPH3U</b> Physics Grade 11 University Preparation <b>SPH4C</b> Physics Grade 12 College Preparation
CPT045: Introduction to Keyboarding	No OSSD equivalent
CPT050: Digital Literacy	No OSSD equivalent
CPT 93: ACE Computers (*ACE030)	No OSSD equivalent
SEL 93: ACE Foundations for College and Career (*ACE045)	No OSSD equivalent

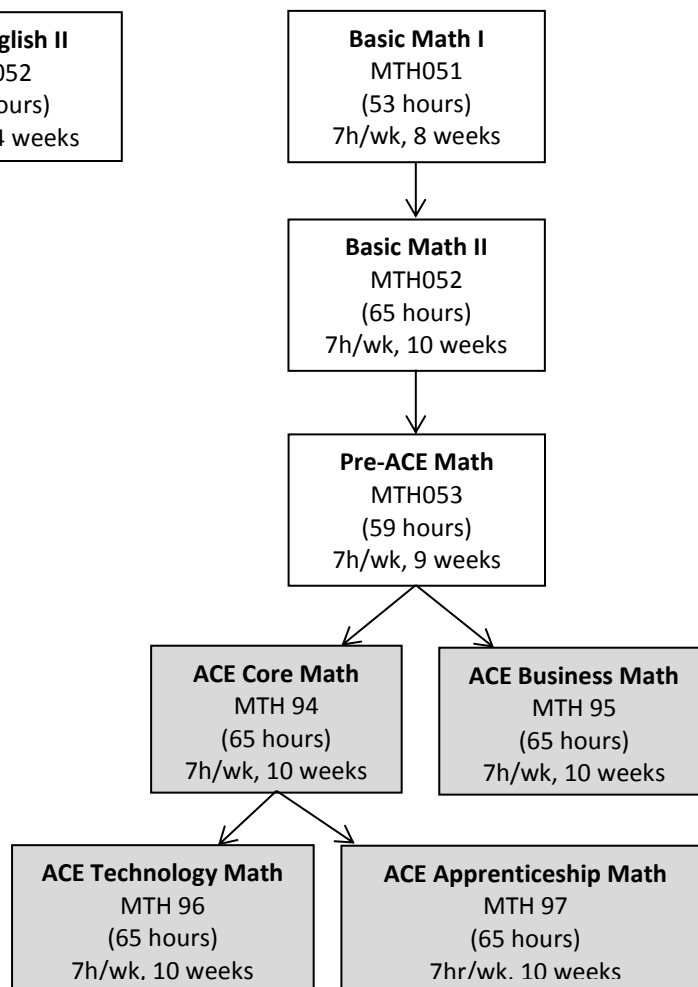

\*ACE### refer to ACE Distance course numbers through Sault College Continuing Education

# ACADEMIC UPGRADING COURSES (2020-2021)

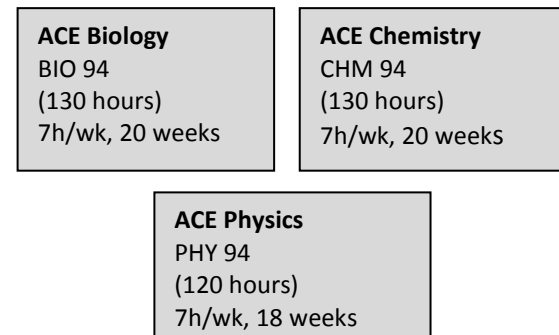

## ENGLISH

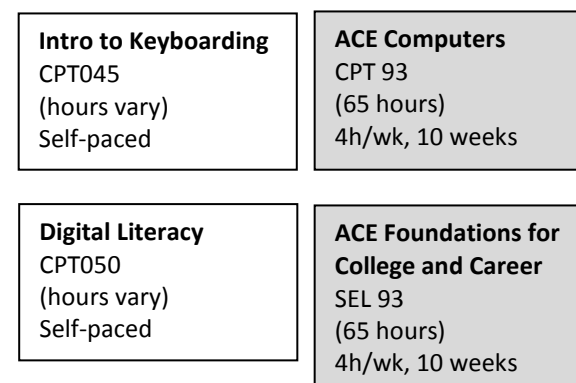

## MATHEMATICS

## SCIENCES

## COLLEGE PREPARATION SKILLS

**ACE Certificate**  
(Ontario Grade 12 Equivalent)

ACE Communications  
+ one ACE Math  
+ two other ACE courses

Placement tests will determine which English and/or mathematics course you start in. Minimum reading scores are required for admission into the program. The length of time you spend in Academic Upgrading depends on which course(s) you start in, which courses you need to reach your academic or employment goals, and your own rate of progress. The more time you spend concentrating on your studies, the more quickly you'll move through the program.
